### Needies interactive plush toys

**Evan** says: I was never a jealous kid. I'm a twin, so I had to learn how to share. The Needies never learned that sharing is caring. These huggable creatures sing, talk and pack a mean jealous streak. Dannie, Mossie and Brettie all crave your attention, but only for themselves. Brettie will even try to talk you into flinging the other Needies across the room. Sounds like someone needs a timeout...
